Let's do it like in the 90's or early 2000. Let's get back to the time of real hip hop! To the sound of Dj Premier, Havoc, Pete Rock, Alchemist and others! To make a tribute to this incredible time we've decided to prepare a pack with orchestral one shots that are ideal to put into your MPC or other samplers for a loud and banging beat! You will find here 172 orchestral one shots divided into 43 instruments sections (4 different keys/chords to each instrument in order to make the best melodies). If you like the sounds of Gangstarr, Mobb Deep, D.I.T.C, Big Pun and other legends you are in the right place! Those one shots will bring you to the roots of hip hop!
