Content:
Over 1,1 Gb multi-format material. Over 100 loops (24 bit WAV, REX, 24 bit Acid, 24 bit AIFF, 24 bit Apple Loops, 24 bit Reason 4.0 ReFill and 16 bit WAV)

*) Some distributors may sell this pack in separate formats, instead of the full multi format collection.

"Fat Key Vibes" was created by multi platinum composer, arranger and song writer Teka: Born in 1982 in Warsaw, Teka has shown great interest in music from early childhood. He created his first Hip Hop beats in the early nineties. When producing, Teka rarely uses sampled sequences, focusing on creating his own, individual arrangements. The artist feels best in genres like R&B, South Hip Hop and modern-pop. After many years of perfecting his individual sound and style, he achieved the highest level of production experience, letting him cooperate with many artist from around the world. Teka's music features sophisticated arrangements and perfectly chosen drums.

ABOUT DIGINOIZ

Diginoiz is a label of FatLoud founded by experienced musicians, sound engineers, producers, manufacturers but most importantly - audio enthusiasts, for the most demanding customers, who value highest quality of sounds.
