

MAGIC

80's

One of the most influential times in music history! All of the most known modern genres were inspired by the time of the 80s. That is why we've prepared our new product called 'Magic 80s'. Made with attention to details on one of the most known, classic - Korg M1 – the most popular instrument in the 80s. Made by a producer with over 35 years of experience, who was a part of the 80s music. You will find here 328 Mb multiformat material, 52 great sounding, warm, melodic loops in the style of 80s pop. We also include 52 Midi files to help You in Your composing process.
