## VOCAL CHOPS

The second part of our vocal chops product! This time we've made it in the Modern Pop genre so you will find here melodic and radio ready content! Everything made with attention to details with our own content, so you don't have to worry about any legal issues. You will find here 50 vocal chops (loops) and 50 midi files with chords that fit the vocals. You don't have to waste your time searching for the right chord progression and key! Every vocal chop has its own midi file with the same name. Just import it to your DAW, choose your favorite sound and produce the rest of the song! Vocal chops are in 128 Bmp. Enjoy! You will love this pack!
