

simply percs

Simple but quite useful, groovy and fresh, ready to be a part of your upcoming songs. We are proud to present the first volume of our 'Simply Percs' series, a sample pack recorded with top quality hardware including percussion loops made with... toy instruments that I borrowed from my little daughter! Here You will find some wood percussion, shakers, sticks and even something hard to describe, but usable as a snare. In the first version of 'Simply Percs' you will find 95 loops in 75 Bpm, perfect for all kind of R&B, Future R&B, Pop or Trap.

PLEASE NOTE: Every percussion / drum instrument that you can hear in the demo, except kick drum comes from the Simply Percs! Instrument loops are not included in this package.
