# 4

AUDIO + MASCHINE

Ladies and gentleman we are proud to present the 4th part of one of our best selling products! Synth Style Sounds 4! As in the 3rd part we've decided to focus on synthesizer one shots, made of course only on hardware! You will find here 308 synthesizer one shots divided into 96 parts. Every part has from 2 to 8 sounds that will allow You to create simple but catchy melodies. As usual You will find the most popular formats (Wav 16-Bit, Wav 24-Bit and Aiff), but this time we have added also 26 NI Maschine programs where we put all our one shots assigned to the pads, to help You creating Your hit songs! This pack is multi genre, that means that You can create any kind of modern music with it, from hip-hop, trap to house or dubstep.
